JSP Industries is committed to staying on the forefront of product design by leading the industry with stylish and functional home theatre furniture. Whether your choice of formats is DLP, LCD or Plasma, we have your furniture solution!

JSP proudly presents the Allegro collection, the height of elegance and simplicity.

Allegro is a classic contemporary design that will enhance homes for many years to come. Its use of symmetry with three speaker enclosures and geometric shapes create Home Theater Furniture Artistry. The clean lines and engineering allow the TV to blend in and create a unique custom look!

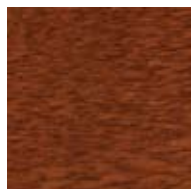

Made of solid birch and two face birch veneer panels, the Allegro collection is offered in beautiful multi-step finishes which highlight the natural beauty and richness of the wood. The quality workmanship on every detail and the solid construction will make this piece of furniture ever lasting.

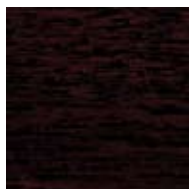

Finish: Malt # 136

**IN STOCK COLORS\***
